

Current position

2020– **Tenured researcher**, *Institut National d'Etudes Démographiques*, Paris, France

Previous position

2018–20 **Assistant professor**, *Ecole Normale Supérieure Paris-Saclay*, Saclay, France

2015–18 **Teaching assistant**, *Ecole Normale Supérieure Paris-Saclay*, Saclay, France

2014–15 **Research assistant**, *Paris School of Economics*, Paris, France

Education

2015–18 **PhD in Economics and Demography**, *Paris School of Economics & Ecole Normale Supérieure Paris-Saclay*

2013–14 **Master (2nd Year) "Empirical and Theoretical Economics"**, *Paris School of Economics*

2012–13 **Agrégation in Economics and Management Science**, *Ecole Normale Supérieure Paris-Saclay*
National competitive examination qualifying for secondary-school teaching in France. (Rank: 1st)

2011–12 **Master (1st year) in Economics and Management Science**, *Ecole Normale Supérieure Paris-Saclay*

2010–15 **French civil servant student**, *Ecole Normale Supérieure Paris-Saclay*

Publications

Working Papers

Bonnet, F., Alliger, I., Camarda, C.-G., Klüsener, S., Meslé, F., Mühlichen, M., Perdrix, E., Grigoriev, P., *Divergent trajectories of the Deaths of Despair Burden across Subnational Regions in Europe*.

- 2018 **Bonnet, F. and H. d'Albis**, *Inequalities in Life Expectancy and the Global Welfare Convergence*, Economics Letters, 168, 49-51

Open Science

- 2020– **Co-director**, *French Regional Database*

Objectives: Provide historical demographic and economic data about French regions to improve general knowledge of the French regional characteristics through their analysis over time.

Teaching experiences

- 2024– **Conferences (15h), 2nd year of Licence**, *Toulouse School of Economics*, Empirical Demography
2023– **Conferences (4h), 2nd year of Master**, *Paris School of Economics*, Population Economics
2022– **Conferences (6h), 2nd year of Master**, *Angers University*, Silver economy classes
2020-21 **Conferences (3h), 2nd year of Master**, *Strasbourg University*, Population economics
2019-21 **Jury member of the entrance examination**, *Ecole Normale Supérieure Paris-Saclay*, Macroeconomics
2018-19 **Prepatory classes (192h per year) for Agrégation Exam, 2nd year of Master**, *Ecole Normale Supérieure Paris-Saclay*, Conferences and oral examinations in economics
2015-18 **Prepatory classes (64h per year) for Agrégation Exam, 2nd year of Master**, *Ecole Normale Supérieure Paris-Saclay*, Conferences and oral examinations in management organization
2013 **Teaching assistant (36h), 1st year of Licence in Economics**, *Paris 1 Panthéon-Sorbonne University*, Income inequalities

Awards

- 2018 **Best Ph.D. thesis in Economics**, *Paris 1 Panthéon-Sorbonne University*

Conference contributions

- 2025 **7th Human Mortality Database Symposium**, *Paris, France*
Conference of the European Society of Historical Demography, *Bologna, Italy*
Conference of the Population Association of America, *Washington, United States of America*
2024 **European Population Conference**, *Edimburg, United Kingdom*
Epidemics past and present, *Barcelona, Spain*
2023 **Turning Gold: BiB's 50th Anniversary Conference**, *Wiesbaden, Germany*
2022 **6th Human Mortality Database Symposium**, *Paris, France*
2021 **International Population Conference**, *Virtual conference*
2020 **3rd Human Mortality Database Users Conference**, *Virtual conference*
2019 **5th Human Mortality Database Symposium**, *Berlin, Germany*
Berkeley Formal Demography Workshop, *UC. Berkeley, USA*

Skills

Programming R, Latex

Languages French (mother tongue), English (fluent), Italian (basic)

Other experiences

Research teams

- 2025– **ANR funded "Worth-IT" project**, *Research network*, Paris, France
- 2023– **COST funded "The Great Leap" project**, *Research network*, Groningen, Netherlands
- 2020– **ERC funded "Redim" project**, *Research network*, Wiesbaden, Germany
- 2020– **ANR funded "Socface" project**, *Research network*, Paris, France
- 2020–22 **The Demography of COVID-19 Deaths Database**, *Operational team*, Paris, France

Consulting

- 2021–22 **N-ACSEL (Analyse Conjoncturelle et Structurale de l'Economie Locale) project**, *French Central Bank*, Paris, France

Review and committees

- 2017– **Reviewer**, *Archives of Public Health, BMJ - Global Health, BMC - Population Health, BMC - Public Health, Demographic Research, Demography, European Economic Review, European Journal of Epidemiology, Journal of Epidemiology and Community Health, International Journal for Equity in Health, International Journal of Health Geographics, Nature Human Behaviour, Population, Plos One, Spatial Demography, Scientific Reports, The Lancet.*
- 2023– **Administration Council**, *Elected member*, INED
- 2022–25 **Selection committee**, *Ph. D. students and Post-doc*, INED
